MV DANNOK BAPTIST CHURCH
MV Dannok Church updates

Praise God! 3 newcomers attended Sunday service last week. One committed her life to Jesus. Please continue to pray for these precious souls. The Lord will draw more hearts to Himself. AMEN!

With grateful hearts we wish to thank you for contributing and supporting the change of location and to the gifts of new chairs, aircon, new toilets and other assorted items for the church.

MV MOUNTAIN OF LIGHT
BAPTIST CHURCH

Elder Pataela and his wife Nova has been serving the Lord for the past 3 years since year 2017 in this Karen people church. He is a farmer and they have 2 sons and 2 daughters. We want to thank the Lord for his servant heart to lead this church. About 30 to 50 brethren meet every Sunday to worship the Lord together. The villagers will walk up a small hill to attend service.

Thank you for supporting elder Pataela and the church here through your prayers. Here are some areas to uphold them in your prayers:

- 1) God's protection upon the health of elder Pataela and his family
- 2) The church calls for a fulltime pastor. Please pray God will bring a suitable person to shepherd the flock in this church
- 3) Most of the villagers are nominal believers: Pray that each believer's personal relationship is enriched and be His disciple always.

Caring for His little lambs...

MV LAM THAP BAPTIST CHURCH

Precious life walking The Way...

Introducing Gita, a young lady who comes from a broken family situation. Two years ago, she struggled with life and went into deep depression.

Her mother approached MV Lam Thap Church to seek help from Pastor Som Keat. Thank God, Gita was able to make a full recovery. Gita experienced God's love and found out how valuable she is in God's caring hands.

We give thanks and praise to God, how Gita has been transformed and changed into a strong and disciplined young lady. She has been leading in praise and worship, shared her testimony and been helped in many ways with securing her schooling. Proving herself astute in her studies.

At this time, Gita has a firm desire to be trained as a policewoman and continue with her education.

Her future is in God's hands, with minimal means to support herself and seeing her aspirations met. She needs your continual support!

All glory to God for changed lives! ...If you would like to partner with us to support Gita's future, please contact Suan Kee at this number: 012-5600656 or email her at info@mvthailand.org
