Serving Christ in Ministry to reach the children ...

BLESSING LITTLE SEEDS IN NEED

Jesus said, "Let the little children come to me, and do not forbid them; for of such is the kingdom of heaven." Praise God for the ministry of the Little Seeds where we are reaching out to the children who mostly are from broken and troubled families at Lom Choi, the inner part of Dannok. Praise God, the church members are more involved in this ministry and they have raised funds to rent a small place and give free tuition to the children there. Recently, some of the mothers of these children also came to support this ministry. Pastor Nipon and team are now doing some renovation at this rented place and getting this place ready to be used next month. Please continue to pray for the team as they reach out to these children and their parents. Thank you.

Praise God, the centre is ready and the children at Lom Choi are all so excited about coming in. We pray that through this place, these neglected children will experience the love of Christ, learn from the Bible stories, learning to read and write in the process. Please pray for the team that will be ministering to these children and God's provision upon this place. Thank you.

Praise God for Pastor Sataporn and family ...

MV MAE KONG PAE CHURCH

Praise God for Pastor Sataporn and family who serves at this small church on the hillside of Mae Kong Pae, Mae Hong Son province, Northern Thailand. This church was planted last year, reaching out to the Karen people at the nearby village. The village is remote and at this time there is still no power and water supply here. Pastor Sataporn has been faithfully serving the Lord for almost 20 years and we thank God for his dedication and commitment. Pastor Sataporn and his wife, Suwanna are blessed with a son and daughter. They also have a granddaughter. Besides serving in Mae Kong Pae, he also ministers at the Burmese border, reaching out to the children there and sometimes bringing in & distributing foodstuffs.

Prayers for Pastor Sataporn and the church family...

- God's leading and protection upon his family to grow and minister to this young church and the community.
- Bless and provide for Pastor Sataporn and the church family as they earn a living by planting soya bean and corn.
