"The church that reaches out to the local community with the love of Christ."

MV DANNOK BAPTIST CHURCH

Pastor Nipon and his wife Kanyanat started a church in Dannok with a few committed believers. They are blessed with their daughter Ayada.

MV Dannok Baptist Church has grown to around 100 precious believers, with about 40 children and youth. Praise God, the church family is now actively reaching out into their local community. With street kids that have been neglected or been abandoned, roaming the streets without suitable shelter or a proper loving family environment.

The church engages with the children through

'The Little Seeds Community Centre' and with the youth through 'The Sport's Ministry'.

Since last year, Pastor Nipon has also been reaching out to the those in need by distributing foodstuffs and milk powder to the young mother's in need as well as reaching out to the sick and marginalised.

Pastor Nippon is also responsible to liason and co-ordinate with the other MV church pastors with Pastor Supol and Suan Kee.

A testimony of God's miracle healing...

MV BANG KHAN BAPTIST CHURCH

Sister Nooi had been suffering from severe pain on her legs for more than a year. She seeked for healing from many witch doctors and prayed to Manohra, but her condition remained unchanged.

Finally, unable to bear the pain anymore, she went to see the doctor. The doctor diagnosed her condition as sciatica. The medication and injections that the doctor gave did not seem to help. Sister Nooi went to see other doctors and they said she needs an operation.

Sister Nooi's uncle who is a believer attending MV Bang Khan Church brought her to see Pastor Khuen. He prayed for her that night and the next day the leg pain was no more.

Praise the Lord! sister Nooi found healing and does not need the operation anymore. Since then, sister Nooi has come to know the Lord and is now attending church. **All Glory to God!**
