Testimony of God's Healing Grace and Goodness...

MV DANNOK BAPTIST CHURCH

Sister Hooi who has been attending this church for some time. She had a stroke 3 years ago. She was having headaches and one side of her body/hand felt very weak. Without a clue that she was having a stroke, she called Pastor Nipon to send her to Hatyai hospital. After checking, the doctor said one of her blood vessel had ruptured. Thank God, she was just in time to the hospital before her condition deteriorated. A prayer call was sounded to the whole church to pray and intercede for her healing. Thank God her condition improved and she was discharged after 2 weeks. With physiotherapy, her condition improved and she went to stay with her daughter in Pattaya so that she can be taken care of. **Praise God!** After 2 years she was completely healed and came back to Dannok last year. Sis. Hooi is now actively serving in the church. All praise to the Lord for His amazing healing power upon sister Hooi's life.
