*Testimony of a changed life in Jesus...*

### MV LAM THAP BAPTIST CHURCH

MVT would like to praise and thank God for the changed life of Gita. From a very depressed girl two years ago who wanted to end her own life due to family circumstances, God gave her strength, hope and purpose to live again.

Praise and thanks to our God for God's children in MVT through their love, prayer, care and help, Gita recovered and gave her life to Jesus. MVT is very thankful to those who contributed to Gita's education and through this giving, MVT was able to support her education for the past 2 years (RM 250 per month).

**Praise the Lord!** Gita is now doing very well in school and recently she obtained good result with a GPA of 3.27 in the recent examination. Gita also sometimes leads worship in Sunday service at the MV Lam Thap Baptist Church. MVT would like to thank God for His goodness upon Gita's life and also Pastor Som Keat and his wife for the love and care they have shown to Gita. Please pray along with us that God will continue to provide for Gita's education as she starts the new term of schooling next month, entering Form 5...In the name of Jesus our King!

*Food relief for refugees where it matters...*

### KAREN MYANMARESE REFUGEES

MVT are very thankful to God for His protection upon MVT's pastors and their team as they bring foodstuffs to the Karen refugees at the border.

MVT is also very grateful to MVI /MVA sponsorship for the funds to purchase these foodstuffs and to cover the costs of transportation. Many refugees came out and took the foodstuffs near the river...**Praise God!**

MVT's pastors also managed to treat the children with noodles at one of the houses belonging to a local Karen Myanmarese there.

*New church for Mae Hong Son community.*

### MV KUHL MAE TOP, MAE HONG SON

**Praise and all glory to God** for His amazing provision!...The Lord has provided! A Korean missionary has graciously provided the funds to build MV Kuhl Mae Top Church. Pastor Leuchai, with the help of Pastor Sataporn from MV Mae Kong Pae Church and the villagers has started the building process.

Kuhl Mae Top is a village situated on a hill, there is no church nearby at this time. Pastor Leuchai is currently leading a group of 10 believers from the home of one of the believers.
