More room for the light to shine in Mae Hong Son ...

MV MOUNTAIN OF LIGHT CHURCH

We thank God for the upgrading work on the small house done by the brothers and sisters at this Karen church. They did a wonderful job fixing tiles on the cement floor, fixing new ceiling panels, repairing the roof and toilets and extending the porch area. This small house that is next to the church building, will be a parsonage, as well as for the children to gather during Sunday service. Praise God, the children now have a place to gather without getting wet when it rains. MVT would like to thank the Lord for His provision to repair this place through His children who gave so generously.

Introducing Pastor Choukieat and his team of dedicated workers ...

MV CHIANG MAI BAPTIST CHURCH

Praise God for His provision to plant a church in Chiang Mai. God is So Good! He has provided MVT a building and large compound in Chiang Mai city rent-free for three years. However due to many years unused, this place needs a lot of cleaning up and repairs. Pastor Choukieat and a few dedicated youth have begun the task of making it ready as a church home. Thank you for praying for Pastor Choukieat and we are trusting God will deliver the means to get this place ready for service(s). The estimated budget for these repairs is around 3,500 USD or RM 14,000. If you would like to partner with us financially for this ministry, please be free to contact us anytime. Thank you.

Myanmar Food Relief ...

Ministry at Mingaladon, Yangon, Myanmar

MVT would like to thank God for His protection upon brother Kyaw Myint that he is now safely reunited with his family back in Yangon.

Recently he was able to minister to the needy families there with food packages. MVT is grateful to God for the funds provided by MVI and MVA. Praying that these needy families will come to know the love and salvation of the Lord Jesus Christ. Kyaw Myint wants to express how grateful and pleased these families were to receive these food packages. **"This is truly a blessing from the Lord God Almighty!"**

Wapi-Pathum, Maha Sarakham, Northeastern Thailand....

MV WAPI PATHUM BAPTIST CHURCH

Prayer has been answered in searching for a suitable place to rent as the church sanctuary. ...AMEN!

Praise God for this new church as it starts the first Sunday service early in September. Thank you for praying for Pastor Watcharin and his team on this new venture.

Pastor Watcharin is married to sister Sirikanya with a son. This indeed shall be a church that will be a brightly shining lighthouse for Jesus to the Karen community. "Already God is on the move... HALLELUJAH!"
