We all at MVT were excited about this conference as it is the first time, we have been able to bring all the MVT pastors throughout Thailand together. Also, it is the first time that MV/ASEAN country directors from Malaysia, Cambodia, Sabah, Indonesia and Thailand have been able to meet together face to face. We appreciate your continued prayers. **Thank you!**

MV PATONG PHUKET CHURCH

A family from this Burmese community has come to know Christ after showing the Jesus film. Most of the children in this community are not able to attend school. So... MV Patong Church is reaching out to these children (as well as their mothers) by providing free education, with 2 committed teachers, 5 mornings a week...**Praise the Lord!**
