MVT CHRISTMAS OUTREACHES, DECEMBER 2023

On behalf of MVT, we would love to 'Praise and Thank God' for His divine and amazing guidance, provision, and protection throughout this year 2023. We would also like to wish you and all your family a very blessed and fruitful new year in 2024.

We pray that you will continue to enjoy His presence each day, experiencing divine health and being covered by the protection of the Holy Spirit as you walk and serve Him in this coming year 2024.

Kham Ta Klea village Christmas Outreach

Praise God that Pastor Supol and his team had the opportunity to meet and minister to

two needy families through this new outreach in Kham Ta Klea. Let's continue to pray that this outreach and other connections will find fertile soil that will impact the community of that village and many families will come to receive His salvation.

Brother Prayut and his wife

Praise and thank God for His healing upon Brother Prayut and his wife. Brother Prayut had battled cancer since Christmas 2022, and, at one point, he was in a coma and in critical condition in the ICU. A Christian doctor prayed with

his wife, and he miraculously emerged from his coma. Following this, his wife brought him to MV Ban Muang Church, where he responded to Christ.

The church believers fervently prayed for him, and two months later, he expressed his desire to be baptized. Both he and his wife are now serving the Lord in MV Bang Muang Church.

Pastor Supol and his team recently visited Brother Prayut and his wife's place. MVT aims to assist them, as their home is in a deteriorated state with a leaking roof and termite-infested pillars.

Currently, they are forced to sleep outdoors in a temporary gazebo due to the rainy season with water leaking through into their home.

Introducing Wanon Church and their Community

Praise God, Pastor Supol and other MV pastors had the opportunity to join Wanon Church for its Christmas Outreach. Pastor Somchai has been reaching out to the mostly elderly community in Wanon. He is praying that MVT will take up the leadership of this church community, and a younger person will succeed him.

MV BAN MUANG PRE-CHRISTMAS CELEBRATIONS

Praise God for the opportunity to share the message of salvation, hope, and love of Christ Jesus with the Ban Muang villagers in their own community during this Christmas season.

Please pray that the seeds of salvation planted in their hearts will grow and bear fruit for eternity.

God answers the prayers for His people!

Pastor Samson's son was involved in a serious bike accident, of which he lost the use of one leg. Many believers prayed for him, asking God for His healing and mercy.

Praise God, he is now totally recovered and back at work. He took up a courier job of sending parcels in his community to support his family.

Praise God! MVT were able to share the joy and love of Christmas with the Myanmarse children in Patong.

MVT extends gratitude to God for His provision through our donors, enabling this Christmas outreach.

We humbly request for your prayers and God's continued guidance, strength, and provision as Pastor Aland and Pastor Sunee minister the love of Christ Jesus with this commitment towards this precious little community of children.

It was raining quite heavily as we travelled from Patthalung to Bang Khan. God is so good to answer our prayers to provide good weather in Bang Khan this evening!

All glory to God as there was a huge turnout. About 250 people came and heard the gospel. The name of Jesus was lifted up and glorified in this district during this Christmas season, through the worship, testimonies, songs, dances and sharing.

Pastor Khuen gave a powerful message of the reason why Jesus was born into this world.

Praise God for the joy and love of Christ that was shared to benefit the community in Bang Khan. HALLELUJAH!

MV LAM THAP CHRISTMAS BAPTISMS

Please continue to pray for Pastor Som Keat and family as they continue to reach out and minister into their community in this small district of Krabi. Pastor Som Keat taps rubber to support his family. Recently he has not been in good health. Please continue to pray for this small fellowship of believers, that they will continue to be 'Salt and Light in Jesus' name. AMEN.'
