Please pray along with us that God will continue to provide resources for this ministry.

Leaders from the MVT churches gather together to learn from the Holy Bible on Discipleship...

MVT Discipleship for Leadership Online

Praise God that we are now in our 4th month of the training which started in May this year. Every Tuesday night about 35 leaders from the MVT churches will gather to learn from the Holy Bible.

"Please continue to pray for all these leaders as they prepare themselves to be equipped to serve the Lord in their communities."

MV BAN MUANG CHURCH

Praise God for His provision that MVT can bless seven needy students from this church with school bags, uniforms, shoes, and stationery to start their new school term.

When we see the happy smiles hidden in their eyes after receiving new bags and shoes, it inspires MV Thailand to continue with this work. Providing new shoes to children in need in rural areas is not just about giving material items; it's about giving hope and opportunities for a brighter future. Seeing them happily smiling reassures MV Thailand that helping these children in rural areas is invaluable and worthwhile.

However, this effort cannot succeed alone. We need your help. Every donation, large or small, is crucial to changing these children's lives. Every baht you give will be used to provide necessary items such as shoes, school uniforms, and learning materials to give them quality education and growth opportunities.

Please join us in creating many more smiles and hope for children in need in rural areas by donating to the **School Aid project of MV Thailand**. Join us in creating hope and a brighter future for these children today.

Please pray alongside with us that God will continue to provide for this ministry. We pray that through this, their lives will be impacted by the love of Christ and that each one of them will come to know Jesus personally.

LITTLE SEEDS COMMUNITY CENTRE IN DANNOK

Praise God for this Little Seeds Centre in the backstreet of Dannok that can bless and care for the children from needy and broken families weekly with fun, games, bible stories and free food.

God is also using this centre to reach out into the needy community here with food packages.

We pray the community here will be touched by the love of Christ through this ministry.

Thank you for your prayers and continuing to support this ministry financially.
