MANIQ TRIBE, Patthalung, Thailand

Praise God that Pastor Somchai and MVT team was able to provide a food source for the Maniq people by rearing catfish. We thank MV ASEAN for the financial assistance to purchase the baby fish for rearing. Thank God we now have about 800 to 900 catfish to bless their community.

LITTLE SEEDS and ENGLISH CLASS, DANNOK

MVT continually Praises God for the Little Seeds Community Centre in Christ's love and care weekly to children from broken families, from Monday to Friday afternoons.

Here, we share Bible stories, offer free tutoring, and enjoy fun games and crafts with the children. They also receive snacks, and occasionally, a meal before going home.

From time to time, MVT distributes food packages to the needy communities around Dannok. Many families have expressed their gratitude for these blessings, and we thank God for the opportunity to share the love and salvation of Christ with the Dannok community.

The monthly expenses for running this centre are approximately 5,000 Baht. If you feel led to contribute to this ministry, please feel free to contact us. Thank you for your partnership.

We thank God for this growing community of believers. Four new souls have opened their hearts to Jesus since this church was planted. Pray for Pastor Supod and family as he shepherds here.
