CHRISTIAN MOTORCYCLISTS ASSOCIATION

Praise God for His protection. The whole team arrived safely in Khon Kaen after nearly 30 hours of travel. After a restful night, they visited and ministered to the students and teachers at the **North-eastern Bible Seminary**.

Praise God! The whole team was deeply moved in their hearts as they visited the children at the **Khon Kaen Blind School**, which serves around 80 visually impaired children. We had the opportunity to pray for God's healing for a boy who also has liver problems. The CMA team blessed the children with snacks and toiletries as well as prayer.

The team also visited the Harley Davidson bike shop in Khon Kaen and the Royal Enfield bike shop in Udon Thani. Prayed for the manager and staff.

NORTH-EASTERN MVT CHURCH BAPTISMS

It was an amazing and joyous day where 12 members of the north-eastern MVT churches in Sakon Nakhon were baptised in this beautiful lake. We pray these believers will continue to love Jesus deeply and be His light in their communities. Hallelujah!

Praise the Lord! That the CMA team were able to participate with this baptism.

COMBINED MV NORTH-EASTERN CHURCHES

Praise God for an exciting day! The CMA team ministered at the combined MV North-eastern church service. Worshipping together, share communion, encouraged by the Word of God. We thank God for His provision of the Skylab motorbikes to the churches through CMA. Additionally, the team provided 26 needy students with bags, shoes, and uniforms. All praise and glory to our faithful God for His Grace.

Praise the Lord! The students come from diverse ethnic backgrounds, including China, Philippines, Sri Lanka, Cambodia, South Sudan, and Fiji.

The students are being led by MVT Director Pastor Supol and Pastor Somporn of MV Det Udom Church.

The team was a blessing to a needy church family as they helped clear and clean their house. They also blessed the family with food and prayed for the wife, who is blind.

The team went out to clean and clear Uncle Norporn's home. He lives alone and had a stroke affecting his left arm. He was deeply touched and thankful for the love shown to him. The team also blessed him with food, a new mattress, pillows, bedsheets, towels, mosquito nets, and a new fan. Hallelujah!

QUALITY TIME WITH DET UDOM CHILDREN

The Australian student team had fun playing games with the children at the church. They went around the community inviting them to church, giving out balloons and gummies.

Praise God for the positive response from the children. More children came, and the students had fun playing games and made crafts with them.

Sharing time with children, that God's love will find them!

Visit to Det Udom, Pracha Samakkhi School

A fun and enjoyable day as the Australian team connected with and built relationships with the local school in Det Udom, Pracha Samakkhi School. The team were deeply touched by the warm welcome they received from the students and teachers. Both the team and the students had a great time participating in outdoor and indoor games organised by the school.

Water filtration system donated to the school

Praise the Lord! The Australian team donated a water filtration system to the school. This is a huge blessing, as the children are now able to enjoy clean, cold drinking water.
