**MV Lam Thap Church Krabi,
Southern Thailand**

Pray for sister Khit and family

Over the past five months, sister Khit from MV Lam Thap Church has endured immense hardship. She survived a violent attack that claimed her husband's life and left her with severe injuries, resulting in the amputation of her arm. Despite this tragedy, her family has experienced the tangible love of Christ through Mission Ventures Thailand (MVT).

Thanks to the generosity of a donor coordinated by Pastor Somkiat, sister Khit's children received essential items, including clothing, shoes, school supplies, and scholarships, along with new bed and mattresses that brought comfort and safety. These gifts have reminded the family of God's unwavering care, rekindling hope and joy in their hearts.

MVT is now planning a livelihood project for sister Khit to help her provide for her family and regain her confidence. Please pray along with us as we seek God's wisdom, provision, and blessings to ensure its success, bringing restoration and sustainability to her life.

Amid their grief and challenges, God's love shines as a source of healing, hope, and assurance for the family, reminding them they are not alone. MVT remains steadfast in supporting sister Khit and her daughters, trusting in God's promises to lead them to a brighter future.

Please pray for these venues. Thank you

MV Phu Khao Kham & Amnat Charoen Churches

Amnat Charoen, North-eastern Thailand

This Christmas, MV Amnat Charoen and MV Phu Khao Kham Churches brought the light of Jesus to their communities through worship, generosity, and the message of salvation. By sharing food, clothing, and gifts with those in need, they reflected the love of Christ in tangible ways. The outreach united hearts in joy, hope, and faith, celebrating the true meaning of Christmas—the birth of our Saviour who transforms lives by His Grace... Hallelujah! We pray the seeds of the gospel sown in love will bear fruit soon for His kingdom.

The atmosphere of this Christmas morning at **The Little Seeds Community Centre, Dannok**, was filled with smiles, warmth, and beautiful friendships. This represents the strong bonds of a simple yet meaningful community.

The good news of Jesus is like small seeds planted in the hearts of these children. Over time, these seeds of faith will grow into strong trees of life, providing them with hope and stability to sustain their lives for eternity.

In these pictures, many children are filled with happiness during this special moment, holding gifts and snacks they received from the Christmas outreach event. This picture reflects a story of sharing and spreading love within the community. An elderly man rides an old motorcycle, kindly taking the children back home with care and his generosity, symbolizing the simplicity of life and the warmth found in this close-knit community.

God led us in proclaiming the good news of Jesus Christ at the Christmas event in Pak Khat. The atmosphere was filled with joy, as people of all ages gathered to hear the message of hope and love from Jesus Christ. The event featured songs, teachings of the Word, and a sense of unity within the community... All Glory and Praise be to God!

Call for MVT to establish New churches!

Renu Nakhon District, Nakhon Phanom Province
Dong Bang, Bueng Khong Long District,
Bueng Kan Province
North-eastern Thailand

When I (Ps Supol) shared the good news about Jesus, I thank God for His guidance through the power of the Holy Spirit. A woman selling som tam at the back heard about Jesus and opened her heart to welcome Him in with great joy.

Recently, we had the opportunity to visit groups of believers alongside the Mekong river, in areas where there are no churches present.

We prayed with them, asking God for an MVT church to be established in each of these places.

At both locations, the believers expressed their desire to be under the care of MV Thailand to assist them in planting a new church. They have committed hearts and strong faith in the vision God has called them to fulfil. What they need are people whom God will send to encourage and support them so they can stand firm in planting these new churches and better serve in their community.

After the event, we prayed with the team, believing that God has moved in this district.

He is using us as His instruments to plant a new church in Pak Khat.

Currently there is no church in this region.

Surely, a new church will be established here soon. This is the time when the harvest is ripe, and we, His workers, will gather according to Jesus' command!

MV KHAM TA KLA CHURCH

Praise God for this new church planted earlier this year, reaching out into their community with the Good News of the Lord Jesus Christ!

We thank God for a great turnout, as about 150 people came to this small church. Pastor Supol delivered the Christmas message. We pray for the seeds of salvation to bear fruit in their lives.

Please continue to uphold in prayer Pastor Samak and his family, also the believers there, as they serve in their community!

THE MANIQ PEOPLE

Patthalung, Southern Thailand

Praise God for His provision through our donors, enabling MVT to bring the love and joy of Christmas to the Maniq people, who lead a nomadic lifestyle in the hills of Phatthalung. We pray that their hearts will come to know Father God, who loves them, as we continue to bless them with food supplies, especially during this Christmas season.

Blessed Christmas Outreach 2024
Sakon Nakhon, North-eastern Thailand

MV BAN MUANG CHURCH

Believers in community of Ban Muang celebrated Christmas at MV Ban Muang Church.

Praise God for this opportunity to share the love, joy, and hope of Christmas with the community during this special season.

We thank God for His presence and pray that the message of salvation shared by Pastor Supol will be planted in the hearts of those who do not yet know Him and will bear good fruit for the kingdom.

Please continue to pray for Pastor Samson and his family as they reach out into their community here.
