Team of seminary students from North-eastern Bible Seminary serving in North-eastern Thailand

MV AMNAT CHAROEN & UBON CHURCH

Thankful to God that MVT was able to host and organize a team of seminary students from North-eastern Bible Seminary to serve in MV Amnat Charoen and MV Ubon churches for 2 weeks in their respective communities.

Praise and thank God for Pastors' Somporn and Kambang and also the North-eastern Bible Seminary's students. They had a very fruitful and blessed time together. The students lead the Sunday service, visited the villagers and children in their own homes.

Praise the Lord, there were many opportunities to pray for and share Christ's love and His Good News with the villagers. We thank God for His leading. **Hallelujah!**

Many of the villagers were hearing about Christ for the first time. Please pray that the seeds of salvation that have been planted in their lives will bear fruit for His kingdom.

Luke 14:23

And the Lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled.

Testimony from a Chosen Seminary Student

"I gained a lot of experience by joining this team. It wasn't as difficult as I initially thought, but it wasn't easy either. I thank God for His protection as we traveled from one village to another in Amnat Charoen and Ubon. I saw God's hand as we visited the villagers and shared the gospel one-on-one with them.

Witnessing and experiencing evangelism firsthand made me realize it's not so easy. Some people outright refused, saying, 'You don't have to preach in this village; we're Buddhists, and our grandparents were Buddhists too.'

These words discouraged me, but I was encouraged by the MVT pastors. He reminded me that they were not rejecting me, but Jesus. Only the Holy Spirit can lead them to repentance. As a disciple of Jesus, I am following His command to evangelize, which gives me encouragement and hope. These valuable experiences I have gained during those days will stay with me always because they were diverse and enriching.

I would also like to thank the MVT's pastors for organizing fun and meaningful activities for our team besides bringing us house to house to evangelize.

Finally, I want to thank MVT for warmly welcoming us and providing us with opportunities to serve the Lord."

Saved and Set Free by Jesus Christ!
Nakhon Si Thammarat, South Thailand
MV BANG KHAN CHURCH

Mrs Nui was possessed by evil spirits and demons, both mentally and physically. She appeared sickly, often sitting and talking to herself. On several occasions, Mrs Nui even harmed herself without being conscious of her actions. Sometimes, she was taken into the bedroom by evil spirits, attempting to compel her to commit suicide.

Thank God darkness failed to accomplish its goal that day. By God's mercy someone brought Mrs Nui to MV Bang Khan church. Pastor Khuen prayed and Jesus freed Nui from the power of these evil spirits. She finally found His salvation and freedom through Jesus Christ!

After being set free from the evil spirits for several weeks, Mrs. Nui's relatives attempted to prevent her and her husband from worshipping God. However, Mrs. Nui defied the prohibition, making a stand and declaring herself a child of God, Resolving to worship Him until the last moments of her life. She is committed to serving the Lord for the rest of her days. **Hallelujah!**
