#### MV BAN SANAM CHURCH

Pastor Supol and team travelled to visit MV Ban Sanam Church, a church that God has graciously led Mission Ventures Thailand to restore once again. This church has a history of more than 50 years, but over the years it has experienced cycles of opening and closing. Each time a leader passed away or moved on.

For the past year, Mission Ventures Thailand has come alongside this church to care for it, establish new plans, and walk faithfully with their congregation. We thank God that we are now in a crucial stage of raising and developing local leaders, so that this church may continue to stand firm. The ministry entrusted to God, and be well prepared to carry out His purposes for generations to come.

All glory be to God for His guidance, restoration, and new hope, He is bringing to MV Ban Sanam Church for their future.

#### Leprosy Settlement, Selaphum District, Roi Et, North-eastern Thailand

This settlement is home to people who had leprosy in the past. In some cases, there are visible, physical effects from past illness, such as the loss of fingers, toes, the nose, or parts of the ears. Nevertheless, we joyfully thank God that many in this community have opened their hearts to believe in and follow the Lord Jesus Christ.

### MV BAN HUAI KLONG KHAO CHURCH

Thank God for a safe journey from the Thai-Cambodian border to MV Ban Huai Klong Khao Church, which took about six hours on the road. This church is located in a rural village, and God has led Mission Ventures Thailand (MVT) to plant this church over the past four months.

Pastor Yo, a local villager and God's servant, has been faithfully caring for this church. This year marked the very first Christmas celebration at this newly planted church. Although the gathering was held in an old wooden building, the atmosphere was filled with God's love, joy, and His presence.

Pastor Yo also took us to see his three-acre piece of land, which he willingly offered to MVT for the construction for the new church.

Together, we prayed and committed His plan into God's hands, asking Him to lead and guide every step according to His will.

Thank God for this seed of New Hope that is growing in this small rural community.

During this Christmas season, we are focusing on providing assistance to both the wider community and local churches. In Phase 2 of our Christmas Outreach, we distributed Christmas gifts in the form of 300 mattresses and 200 rice cookers. These items were given to families in need within the community as well as to local churches.

We also received 500 sets of school uniforms to support the families of church members as well as those in their surrounding communities.

### MV NONG BUA LAMPHU CHURCH

We visited Pastor Jirarot at MV Nong Bua Lamphu Church. In addition to faithfully serving the Lord, he also serves as a provincial deputy governor.

We thank God always for our brothers and sisters in Christ.

A brother generously offered financial support to provide sound equipment for worship services and church activities. All glory and thanks be to God for His provision and for hearts willing to give for the work of His Kingdom.

### Blessed Christmas gifts to flood victims

We thank God for all those who have generously donated mattresses and rice cookers to support families affected by the recent flood disaster.

Although the floodwaters have receded, the impact of the disaster remains widespread. Many households lost essential items and bedding. Other belongings were severely damaged by mud and debris brought on by the floods.
