“Sister Pavinut is an awesome woman of God!”

LITTLE SEEDS COMMUNITY CENTRE, DANNOK

Sister Pavinut is a testament to God's grace and redemption. She found her faith in Christ through the prison ministry conducted by TBC: A place where the light of the gospel shone into the darkest chapter of her life. Transformed by His love, she embraced This new life in Him, only to face another deep trial—a battle against stage 3 cancer and diabetes.

MV Thailand has given Sister Pavinut the opportunity to serve in the Little Seeds children's ministry at Little Seeds Community Centre in Dannok, Songkhla as a volunteer. A place filled with love and hope for children in need of care and the teachings of God. Though her body has been weakened by illness, her spirit has grown stronger in Christ. She dedicates her time to being a blessing to the children and the surrounding community, bringing God's love to those who have yet to know Him.

Additionally, MV Thailand provides her with daily financial support as a token of love and encouragement, helping to ease the burden of her daily life. This support is not just material assistance but also a reaffirmation that she is cherished and valuable in the eyes of God as well as her brothers and sisters in Christ.

In every step of Sister Pavinut's life, we see the grace and guidance of God so clearly. She is living testament to the truth that no matter how difficult the circumstances, God never abandons those who trust in Him. Her life remains a vessel that God continues to use for His glory daily.

Church seeking film equipment... Amnat Charoen Province, north-eastern Thailand

MV NONG BUA LAMPHU CHURCH

Pastor Jirarot from MV Nong Bua Lamphu Church, a newly planted church, has been preaching the gospel to members of the Territorial Volunteer Division using the Jesus Films as a tool to share the good news of the Lord Jesus Christ.

This event reflects a heart filled with determination in serving the Lord. Despite limited resources, through trust in God and a willingness to find solutions, Pastor Jirarot successfully shared the gospel with his target audience.

Mission Ventures Thailand (MVT) has a need for Jesus Films equipment for evangelistic work throughout Thailand.

MVT is committed to spreading the gospel of Jesus Christ to the people of Thailand, particularly in rural areas and communities that have yet to hear the good news. To enhance this mission of using the Jesus Films as a medium allows people to understand the story of Jesus Christ more easily through a presentation that resonates with viewers of all ages, especially in areas with limited literacy or access to the Bible in their language. Having proper equipment of their own would enable MVT churches and workers to consistently and more widely conduct evangelistic activities.

With our mission firmly focused on bringing salvation to communities; MVT seeks to acquire for each church their resources, through partners and supporters with a heart for evangelism. To ensure the gospel can reach more precious souls in their local communities throughout Thailand.
