A day of Grace, God leads MVT to plant two new churches in Isaan as we walk by Faith

MV NONG BUA LAM PHU CHURCH and MV PAK KHAT CHURCH

Christmas Outreach 2024 was another moment revealing God's glory! As we continue to proclaim the Gospel in north-eastern Thailand. The Lord's hands shatter the power of the enemy, bringing people out of darkness into His marvellous light, from destruction to eternal life. His church is now established in Pak Khat and Nong Bua Lam Phu— not by our own abilities, but by the power of God alone.

"May the name of the Lord Jesus Christ be glorified. May His kingdom continue to expand. And may many souls come to salvation through His children! -Because God leads, we can always walk by faith."

"Bring the Light of Christ to the Heart of Isaan"

North-eastern Thailand, also known as "Isaan," home to over 22 million people. Yet less than 1% of the population are identified as Christian. It remains spiritually a dry land. One that hungers and thirsts deeply for the Truth of God.

Last year, the Lord led us to focus on North-eastern Thailand. Four new churches were established. We rejoice that 35 new believers were touched and found Christ, 28 were baptized in 2024 across the MVT churches.

In March 2025, Mission Ventures Thailand (MVT) team embarked on a four-day outreach mission undertaking in various new locations where there is no existing church around north-eastern Thailand. Fully devoted to "sowing seeds of the Gospel" and strengthening His faithful servants who continue to stand firm in this challenging spiritual environment. As part of this mission, the team visited, prayed with, and encouraged the pastors of newly planted

Beyond encouraging local pastors, the outreach team also ventured into unreached villages and communities — places where the name of Jesus had never been heard. As the Good News was proclaimed, many hearts were opened to the truth of God who loves them unconditionally — Jesus Christ, the One who brings hope to the hopeless and offers eternal life to all who seek after Him.

We give thanks to God for His power, presence, and clear guidance throughout this mission. And we look ahead with hope, believing that more new churches will soon be established in Isaan — The fruit of seeds sown with tears, perseverance, and unwavering faith in the One true God who transforms lives.

"Ask the Lord of the harvest, therefore, to send out workers into His harvest field." (Luke 10:2)

"May the Lord continue to use this mission as a significant step in the expansion of His Kingdom in Thailand. And may many across Isaan come to know Jesus — For He is the only Way, the Truth, and the Life...Hallelujah!"
