Showing God's Love in this Time of Crisis

Next Step—Restoration by the Grace of God

Flooding crisis in southern Thailand

Preparing for the next phase once the water recedes: restoring lives and communities by the grace of God. Many families are deeply wounded by this disaster—not only through physical loss, but also with the emotional pain and trauma of starting over.

Our restoration efforts will include:

- 👉 Helping clean and restore damaged homes
- 👉 Providing basic essential supplies
- 👉 Offering practical help and caring support
- 👉 Working alongside families with God's love and care that only our Lord Jesus Christ gives.

In crisis like this, we believe God is giving us an opportunity to be salt and light with hope to those who are discouraged and alone. We will walk together, support one another, and help rebuild lives and the communities with His love. "The Lord is close to the broken-hearted and saves those who are crushed in spirit." Ps 34:18 "Hallelujah!"

MVT also expresses our heartfelt thanks to TBC Church, Alor Setar for providing financial support and help with those who are affected.

Many areas in Southern Thailand are now experiencing severe flooding. Homes, roads, and farmlands have been damaged, affecting countless families—especially young children, the elderly, and low-income households who urgently need support.

Mission Ventures Thailand Foundation (MVT) is actively responding by preparing essential relief items such as:

- 👉 Clean drinking water
- 👉 Milk for the children
- 👉 Ready-to-eat food

In these challenging moments, when connection gives unique opportunities to demonstrate God's love in practical and meaningful ways. When families are suffering, even the simple act of kindness can become a powerful message and blessing of Christ's compassion in community.

Flood Update-God is with us in Time of Crisis

The Mission Ventures Thailand Foundation team carried out urgent relief work and successfully delivered 200 relief boxes to flood-affected families in Satun, Sadao and Dannok, providing immediate support to households in great need. Next, our team continued to Phatthalung Province to distribute food to affected families. The journey was challenging—many areas remain deeply flooded, making it impossible for vehicles to pass, and some locations were dangerous due to electrical hazards. Yet by the grace and guidance of our Lord, our team was still able to reach safe areas and provide assistance to those in need.

In Hat Yai City, the water level remains steady. We invite you to pray that the waters will recede soon and for the safety of all families in this area.

**Partnering and Serving with MVT
Doi Saket, Chiang Mai, Northern Thailand**

Mission Team-Lighthouse Christian College

We praise God for the students and teachers from Lighthouse Christian College who have partnered with MVT to serve and bless the communities in Doi Saket District.

Over two days, the team has helped to clean and restore two homes which were in very poor condition.

The first home belongs to a man who lost his wife many years ago and has been living alone ever since.

The house after cleaning

The second home belongs to an elderly woman who suffered a stroke. As a result, she is unable to walk or see. Her only son is doing his best to take care of her.

**The Lighthouse Christian College team
partnered with MVT to minister at Mae Dok
Dang School in Doi Saket**

The team led fun games and interactive English lessons. Helped clean the school compound and shared lunch and gift bags with the students. Served fairy bread, donated gardening tools and sports equipment. Bringing much joy to both students and teachers.

In addition to these activities, the team spent time encouraging the children through

meaningful conversations, building friendships, and showing God's love in practical ways.

Their presence created a warm and joyful atmosphere throughout the school, and the students were deeply touched by the care and attention they received.

The school leadership expressed heartfelt appreciation for the team's willingness to serve, the resources they so generously provided, and the positive impact they made on their short visit.

We thank God for the Lighthouse Christian College team and pray that the seeds of love they sowed and planted will continue to bear much fruit in the lives of the children and the entire school community.

11th to 22nd December North-eastern Thailand MVT CHRISTMAS OUTREACHES 2025

- Sow seeds for new church planting in Isaan
- Travel the long challenging journey by faith
- Blessing the communities with open doors

Please join us in continued prayer:

Evangelism-The Holy Spirit will touch hearts and open lives to receive the Gospel.

Church Planting-New believers, workers, local leaders raised up in their community.

Team Travel-For safety, God's guidance, His power upon every step of our journey.

Budget Provision-God will supply every need by His will. So that lives are blessed and that He will be Glorified on the journey.
