Mission Ventures Thailand

“Abide in Me as My Words Abide in you.”

LIVING FOR CHRIST CONFERENCE 2026

We thank God for ‘The Living for Christ conference 2026’, which was filled with spiritual revival, worship, and encouragement in Christ.

Approximately 170 participants attended from churches and ministry areas under MVT throughout Thailand. Many travelled from rural communities to seek God together and receive renewed strength for further ministry.

Throughout the conference, God touched many lives through prayer, worship, and fellowship. Many people experienced spiritual renewal, encouragement, and fresh passion to live for Christ.

We sincerely thank all supporters and partners for your prayers and support, which play an important role in strengthening churches and developing new disciples throughout Thailand.

The Vision of Faith for Thailand

MVT Online Bible Institute

We thank God for the graduation ceremony of the students from MVT Bible Institute during the recent “Living for Christ Conference 2026.”

Two years ago, God gave us a vision to establish MVT Bible Institute in order to make disciples and develop leaders for churches throughout Thailand under Mission Ventures Thailand (MVT).

In the beginning, there was no budget and no financial support at all. Yet by faith, we continued to move forward in obedience to God’s calling. Despite the challenges of organizing and providing teaching in remote and rural areas.

Today, we are witnessing God’s faithfulness, provision, and guidance in amazing ways.

This year, 22 students graduated from the 2-year Certificate of Christian Ministry (CCM) program, preparing them to become leaders and servants in MVT churches throughout Thailand. All graduates will continue their studies for another 2 years in the Certificate of Christian Leadership (CCL) program.

Currently, around 70 students are studying at MVT Bible Institute. What began as a small step of faith is now growing to raise disciples and develop leaders for the Kingdom of God.

We sincerely thank all supporters and prayer partners who continue to stand with us in building disciples and developing leaders for Thailand and for the Kingdom of God.

MISSION VENTURES

THAILAND Involve Inspire Impact

Eml: mvfoundation@mvthailand.org --- web: <https://mvthailand.org/> --- fb: [mission ventures thailand](https://www.facebook.com/missionventures.thailand)

This is our mission – planting churches and making disciples in rural areas of Thailand

MVT Planting Churches - Making Disciples

In small villages where most people follow Buddhism, God is quietly moving in people's hearts.

During this journey, we visited MV Nong Tum Church, Chaiyaphum Province and MV Kong Khao Noi Church, Loei Province – two rural churches that MVT has planted over the past two years.

Though there are only a few Christian families in each village, God is already at work. Families are gathering to pray, worship, and learn about Jesus together.

Reaching these remote areas requires long hours of travel, yet God continues to protect and guide us every step of the way.

What encourages us most, is not the size of the churches, but the faithfulness of those believers who continue shining the light of Christ where the Gospel is still rarely heard.

MVT believes that God can use even the smallest village for His glory.
