

Officiating the Opening of a New Church Plant Chaiyaphum Province, North-eastern Thailand

MV NONG TUM CHURCH

The pastoral team of Mission Ventures Thailand (MVT) officiated the opening ceremony of a new church plant, MV Nong Tum Church, in Chaiyaphum Province, North-eastern Thailand, on 29th January 2026.

The establishment of this church marks an important milestone in MVT's ongoing mission to share the Gospel, disciple believers, and strengthen local churches in rural communities. The event was a joyful time of prayer and thanksgiving, reflecting a shared commitment to serve the surrounding community for the glory of God.

We thank God for Pastor Su Phee and her family, who will be shepherding this church. Please continue to remember them and the MV Nong Tum Church in your prayers. Thank you.

**Pastor Suwit is shepherding this church in
Bueng Kan Province, North-eastern Thailand**

MV PAK KHAT CHURCH

Grandmother Mon is an elderly woman who has endured many hardships and lived in blindness for the past three years. During this difficult time, her daily life was a great challenge, and she depended greatly on the help of others.

Today, by God's mercy and grace, she is able to see again. We give thanks to God for His wonderful work and for restoring her sight.

This testimony has become a great encouragement to the believers and people in the community, reminding us of God's love and care for His people.

"All glory be to God, for those who are in Christ, that they have the light of life!"

**Joyfully together, building their church in Na
Ouan Noi, Sakon Nakhon, North-eastern Thailand**

MV NA OUAN NOI CHURCH

Thank God, that believers from MV Kham Ta Kla Church joyfully came together to build MV Na Ouan Noi Church in Na Ouan Noi. This small place of worship is part of our ongoing church planting ministry and serve as a gathering place for worship, fellowship, and outreach for their local community.

By God's grace, construction is nearly complete. We are thankful for the unity and willingness of the believers who worked together to make this happen.

At this time, MVT still need approximately 7,000 Baht to cover the cost of roofing materials.

Please keep this new place of worship in your prayers. Also, kindly consider supporting the completion of this church in Na Ouan Noi to strengthen this community.

"Thank you very much for your partnership!"
